

Maryland Department of Health and Mental Hygiene
Maryland Medical Assistance
Family Planning Program
Application

The **Maryland Medical Assistance Family Planning (FP) Program** provides family planning benefits for certain low income eligible women. Applicants must be under 51 years of age, a Maryland resident, and a U.S. citizen or a qualified alien who meets all requirements for benefits.

- The FP Program does not cover any other health care services except family planning services.

The FP Program does not cover enough services to be a health insurance plan. If you are enrolled in the FP Program, you may have to pay a fine if you do not enroll in another health insurance plan. Visit www.MarylandHealthConnection.gov or call 1-855-642-8572 to find out if you qualify for full Medical Assistance benefits or to get help paying for a health insurance plan.

- **This program does not cover services related to abortion and infertility.**
- If you are currently enrolled in the Medical Assistance Program or the Maryland Children's Health Program, you already have family planning benefits and are considered ineligible for this program. Call your Managed Care Organization (MCO) if you need help finding a family planning provider.
- If you have Medicare you are not eligible to enroll in this program.
- If you already had a permanent sterilization you are not eligible to enroll in this program.
- If you want a permanent sterilization and are eligible, it will be covered (must be age 21 or over).
- The FP Program does not cover prenatal services. If you are pregnant and need health care coverage for prenatal care, apply for Medical Assistance with the Maryland Health Connection (MHC) or at your local health department. For more information call MHC at 1-855-642-8572 or the Family Planning Program at 1-855-692-4993.

There are no fees to enroll, no deductibles, no monthly premium, and no annual benefit limit. There are no copays for contraceptive prescriptions (birth control). If you qualify for the program, and you do not already have a FP Program Card, you will receive one which will allow you to choose any family planning provider that accepts Medical Assistance. You will not be required to join a Managed Care Organization (MCO). If you have a primary care provider, contact them to see if they participate. Most local health departments, community health centers, federally qualified health centers, and Planned Parenthood also accept the card. If you have questions about what is covered or need help finding a provider, call 1-800-456-8900.

If you have any questions, please see our website, <https://mmcp.dhmh.maryland.gov/familyplanning/pages/Home.aspx>. If you have questions about the application, call toll free at 1-855-692-4993. If you do not speak English, interpretation services are available, at no cost. The application is also available in Spanish.
